Mother and Son are Speeding Eastward on Train

RAIL BOARD LOSES ITS FIGHT

Bowens Railway Corporation Is Seeking Location

MRS. CURRAN OUTWITS HER HUSBAND AND KEEPS SON

There will be no court fight between James Curran of El Cerrito and Mrs. Catherine Curran of Chicago over the custody of their six-year-old boy, James, for from information learned yesterday the mother has outwitted the father and is speeding eastward on a train.

According to the facts related the husband outwitted the wife in Chicago, gained the custody of the boy and left for parts unknown, and after a search in which over 20,000 miles was traveled, Mrs. Curran has turned the trick on her husband.

Mrs. Curran arrived on this coast Tuesday, and finding where the boy was, took him away from his home and brought him to the Imperial Hotel. The father followed, trouble ensued, the police was called in, and the dispute was settled for the night by the parties agreeing that the mother should be allowed to keep the lad till the next morning.

Fearing that the mother would attempt to get away during the night, Curran and a friend kept watch during the whole night, but there was one period when they went to get a meal.

Taking advantage of their absence it was said that Mrs. Curran secured a taxicab and left for Oakland, where she embarked east on an overland train. The husband did not discover her absence till nearly Wednesday noon.

The trouble started in the East over a year ago, when Mrs. Curran had her husband arrested on a charge of failure to provide. On his consenting to provide for the boy the charges were withdrawn, and shortly afterwards he and the boy disappeared.

Mrs. Curran took up the trail; she

IMPRISONMENT FOR 2 YEARS FOR BROLASKI AND NEWTON AND HEAVY FINES IMPOSED

SAN FRANCISCO, Dec. 22.—Federal Judge Dooling this afternoon sentenced Harry Brolaski, mastermind of the booze ring, convicted a few days ago by a jury of having

conspired to defeat the prohibition law, to two years in prison at McNeil's Island and to pay a fine of \$10,000.

Douglas Newton, head of the United Taxicab company, who was convicted at the same time, was given a similar prison term and ordered to pay a fine of \$5000.

INJURED MAN BROUGHT FROM OLEUM

E. Montague was brought to the Craven hospital at an early hour this morning suffering from severe lacerations received at the Tulon Oil works at Oleum, by falling through

a glass door. At the time of going to press the details of the accident could not be ascertained. Dr. J. M. McCullough of Pinole was the attending physician.

S. F. Supervisors New Auto Ferry To Sausalito

In the unanimous approval of the plan given by the Board of Supervisors of San Francisco yesterday for another ferry to Sausalito, the project is one step nearer realization. This was necessary because the Laguna street property on which the San Francisco ship will be located is privately owned and not under control of the Board of State Harbor Commissioners.

Plans for the building of two fast auto ferries of unique design will be submitted to local shipyards for bids as soon as the State Railroad Commission gives its approval to a new ferry system, it was announced by Harry E. Speer, president of the Golden Gate Ferry company, which is inaugurating the service.

It is proposed to maintain a half hour service between San Francisco and Marin counties, eliminating the delay now prevalent during several months of the heavy travel season. The trip across the bay will take twenty minutes.

Elks to Provide For Needy of City this Week

The Relief committee of the Richmond Lodge of Elks held a meeting last evening and completed plans for the distribution of the Christmas fund in this district. Martinez and Pittsburg are included in the district for the distribution, as a good number of the members of the local lodge will attend to the distribution, Chas. Bulger for Martinez and H. H. Haynes for Pittsburg.

Christmas Service At the San Pablo Catholic Church

At the services at the San Pablo Catholic church Christmas morning, the first mass will be said at 8:30. Hymns will be sung during the mass by Miss Lola Bernardino, Miss Adeline Alameda, Harry Soito, Edward Soito, and John Regello.

During the offertory, Miss Lola Bernardino will sing "The Noel," (The Holy Night).

The 10:30 mass will be a high mass. Battmann's mass in E flat will be rendered by the choir; soprano, Miss Lola Bernardino and Edward Soito; tenor, Harry Soito; bass John Regello; violinists, Raymond Mino and Harold Brink; organist, Mrs. Frank R. Bailey.

During the offertory, Mrs. R. Robinson will sing the Noel, "The Holy Night."

After the high mass the papal blessing will be given to the faithful by Rev. Father Porta.

When you have something to sell and want quick results, advertise it in our classified columns.

SANTA FE TO OPERATE RICHMOND TERMINAL

The decision of Superior Judge Frank Murasky in San Francisco yesterday in the suit brought by the railroad commission to prevent the Southern Pacific from ousting the Santa Fe from its terminal privileges at Oakland mole, denies the request made in the petition and practically says that the railroad commission is without power in the matter, and if any body has power it is the Interstate Commerce Commission.

The decision is very far reaching and gives the railroad commission much power that it has been exercising in the past.

The result of the court fight means that the City of Richmond has won a victory and that the Santa Fe will return to Richmond and resume operations as before the war and resume its ferry service between this city and San Francisco.

Just when the Santa Fe will give up its privileges at the Oakland mole is not known, as none of the officials of the different railroads will talk for publication, making the statement that they have not had an opportunity to digest the decision of Judge Murasky.

It is not believed the Southern Pacific will take precipitate action against the Santa Fe, but if it did, the latter road is prepared at its terminal here to resume operations at once.

The thirty day notice that the council served on the Santa Fe that the permit giving it the privilege to connect with the Southern Pacific near Twenty-third, had been revoked, expires on the 3rd of January. The council last week refused to grant an extension of time at the request of the railroad commission, and it is believed that if the spur track is not removed by the stipulated time that the city authorities will take steps to remove it. A meeting of the council will be held on the evening of the day that the revoke order becomes effective.

Frank Everman, traffic manager of the Western Motors Transport company announced last week that if the ferry service of the Santa Fe, between this city and San Francisco was resumed, that all of its sixty-two stages from northern and central California would be routed through this city and passengers for San Francisco would be landed at the Santa Fe mole, where they would take the ferry boat for San Francisco. This company also has in mind the leasing of a tract of land of the City of Richmond, and erecting an immense terminal depot on it. It would have a capacity of housing sixty-two stages, room for baggage, and parking room for 300 automobiles. People from all parts of the state could drive here, leave their autos at the terminal depot, go to San Francisco and transact their

RICHMOND TO ASK FOR LOCATION OF ARSENAL

Through the filing Monday of a formal application for consideration of Richmond as the location of the Pacific Coast arsenal and munitions plant of the United States Government, the efforts of the past two months to attract attention to Richmond's offerings were divulged.

While in Benicia last summer, and with the suggestion of Sacramento friends, Secretary Wallace learned that the Benicia arsenal was under fire for either enlargement and reconstruction or that the arsenal would be changed to a more accessible point on San Pablo and San Francisco bays. Immediate steps were taken to campaign for Richmond, with the result that it has been known for some time in military circles that Richmond would be taken into favorable consideration for the only arsenal and munitions plant west of the Rocky mountains. As reported by engineers engaged in making a careful survey of Pacific Coast points, there is already a large quantity of munitions stored in Wyoming and shipment made through to the Pacific Coast. The record of quantities on hand following the war is given as follows: 8000 cars of loaded shells, 12,500 cars of inert components, of small arms ammunitions, 3400

Continued on Page 3

business, and on their return on the boat, take their autos and start on their trip home.

A GAS CAR MAY TAKE PLACE OF ELECTRIC

A. D. Bowens, representing the Bowen Railways Corporation of St. Louis and Dayton, Ohio, in Richmond yesterday declared his intention of seeking a factory location in this city for the Pacific Coast manufacturing plant for his company. The Bowen Motor Railways Corporation manufacture cars similar to those used on electric railways, but propelled by gasoline motors of their own make. The cars resemble a street car with the motor built out in front similar to an automobile. The capacity of each car is fifty passengers seated, and the operating cost is twelve cents a mile. The cost of each car complete is \$11,000. Bowens has gone over various sections of California looking for a location not only for his manufacturing plant but for the operation of a car service.

While in Richmond various sites for a manufacturing plant not now spoken for were shown to Bowens, and likewise three prospective car line routes. In all of these a keen interest was taken.

Bowens left last night for Los Angeles, but will return here next week to complete a survey of the city for the double purpose of operating a car line service and for locating his factory here. He announced that his project had met with the favorable consideration of the Railroad Commission as a good

ON TURKEYS EFFECT PRICES

There will be plenty of turkeys for Christmas dinners at lower prices than prevailed at Thanksgiving. The receipts of turkeys coming into the wholesale market from Oregon and Washington. A new wholesale price on turkey will be set today depending on the quantity of fowl received in the market and on this price will depend the retail price the day before Christmas.

Mistletoe is the only thing that seems to be selling slowly this season and the wholesale market is full of it. The price asked is 25 cents a pound, but it appears that unless dealers sacrifice it at smaller prices they will have to use it all themselves.

Richmond to Ask For Location of Arsenal

Continued from Page 1

Cars of smokeless powder, 1600 cars of bulk high explosives. For the storage required of a Pacific Coast arsenal 1,000,000 square feet of floor space is specified. Water and rail terminals and close proximity to oil refineries, oil storage tanks, powder works, cartridge-and cap works, chemical works and water and power supply, were features. Safe determination of under-cover storage space is also a vital factor. All of these things, it is stated, are available in Richmond.

The labor council of San Francisco last week endorsed Benicia as the location for the new plant and arsenal, and it was intimated at that time that no other application had been received. Richmond has been presented to the Congressional committee and Naval Base committee in the contemplations of the recent survey for a San Francisco bay site. It is the intention of Secretary Wallace to push the candidacy of Richmond forward energetically. By request the following formal letter was addressed to Hon. Julius Kahn, chairman of the Committee on Military Affairs, Washington. It is understood that Oakland and Alameda will strongly support Richmond's effort by direct effort before the committee in Washington.

Recent development in making the Richmond survey and one of the most important elements in favor of this point is the fact that the Santa Fe foundry has received and filled orders for several hundred motor projectiles competing with Eastern manufacturers. These projectiles weigh 700 pounds each and carry 28,000 pounds per square in displacement. They are of semi-cylindrical and twelve inches in diameter. One of the projectiles has been on exhibition at the Chamber of Commerce for several weeks, and has attracted considerable attention from visitors.

ATTENTION, SWEDISH LUTHERANS.

Swedish Lutherans will hold early services at 5:30 Christmas morning—"Jul Otta"—at Pythian Castle, 5th and Macdonald. All Scandinavians cordially invited to attend and are asked to bring psalm books. Rev. M. P. Arsen will preach. Mrs. M. P. Ansen will play and sing.

JOHN P. SANDBERG, Publicity Committee.

Western States Gets Raise Rates City Stockton

What is in effect an order increasing the rates for gas and electricity to be charged by the Western States Gas and Electric company of Stockton by approximately ten per cent was issued by the Railroad Commission today. The order was made on a request by the company for a revision of its rate schedules based on increased costs of labor and materials used in the operation of the gas system in Stockton and vicinity and electric system serving portions of San Joaquin, Sacramento, El Dorado, Amador and Calaveras counties.

The increase in cost to the company of electric energy bought from the Pacific Gas and Electric company, and the Great Western Power company, and resold amounts to \$75,000 a year. The cost of both gas and electricity has been increased \$52,000 a year, by reason of wage increases. The cost of oil has also increased from 75 cents a barrel to \$2.30.

As ordered by the commission the new rates provide for an increase in the charge for electricity sold to the city of Stockton as a municipality. If the company elects to give the city a special rate, the loss must be borne by the company and not passed on to the other consumers, says the commission.

Alice Lake As Kittie Malloy A Big Success

"The Misfit Wife," a Metro production, featuring Alice Lake, was at the Richmond Theatre last night and will be seen again tonight. It gripped the interest of the spectators from the start and held it throughout.

But it was the performance of Alice Lake as Kittie Malloy that counted most in the pictures' success. For

Armour Gives Word of Warning To Purchasers

CHICAGO, Dec. 22.—Continued price reductions on grain, livestock and other products of the soil can result only in ruin for producers, J. Ogden Armour, head of Armour & Co., declared in a statement on business conditions here today. Curtailment of production and consequent scarcity and high prices, Armour warns, will follow continuation of the "anti-buying" hysteria.

"Price liquidation," said Armour, "is about complete in most essential products. The buyers' strike, which was largely instrumental in bringing about reduced prices, has been successful. The paper profits of the war period have been wiped out and inflated prices returned to reasonable levels. The consumer's dollar has about won back its pre-war buying power."

Boy Scouts and Girl Reserves Have Xmas Tree

At the First M. E. Church last evening at the Point there was a large number present at the Christmas tree and entertainment given by the Boy Scouts and the Girl Reserves. The church was very prettily decorated for the occasion.

A playlet entitled "Making Christmas: Happy for Others," a burlesque on the rich, was presented by the Girl Reserves. There was a reading by Miss Mary Pierce, a cornet solo by Thomas Davidson, and a "yell" by the Boy Scouts.

Afterwards the presents on the tree were distributed.

Wednesday afternoon the members of both organizations made a trip to Fred Finch orphanage in Oakland, and took over lots of good things for the homeless children.

This evening at the church the Christmas tree entertainment of the Sunday school will be held. Everyone is invited.

DEATH WALNUT CREEK WOMAN IN THIS CITY

Mrs. J. R. Reynolds, of Walnut Creek, mother of Mrs. J. C. Redman of Eddy street at Point Richmond, passed away at the home of her daughter yesterday afternoon. The funeral will be held in Berkeley on Friday afternoon at 2 o'clock.

FREDENBURG TO DIRECT RELIEF DRIVE

Announcement was made yesterday by Frederick J. Koster, chairman of the European Relief Council for Northern California, with offices in San Francisco, of a general drive to be made part of the Herbert Hoover national relief campaign for \$33,000,000 to save the lives of 3,500,000 starving babies and little children of the Central European countries. Twelve cities have been named in this district and twelve men to represent those districts as chairmen who will have charge of the drive. Richmond is mentioned among the twelve cities, with George B. Fredenberg as chairman.

Chairman Koster said, in discussing the present call for American aid: "This is a call that must be met. A tremendous emergency exists in these Central European countries,

not due to any new or sudden cause, but arising out of the chaos consequent upon the war. It is the call of hungry children. Unless this call is met, there will follow in Europe a tragedy so vast as to be unspeakable."

Mr. Hoover states that this will be our last call. Ten dollars now saves the life of a starving child, and carries that child until the next harvest.

Headquarters for Northern California are in charge of Miss M. S. Merwin, 601 Market street, San Francisco.

Upon being interviewed, Mr. Fredenberg stated that he had accepted the appointment, but had not yet received the full data as to the extent of the district. However, the quota here has been fixed at \$7000.

Report Shows the Progress of Child Hygiene Work

How far the states have officially recognized the importance of child welfare work is brought out in the annual report of the Children's Bureau of the U. S. Department of Labor. At the present time 35 states have created child hygiene or child welfare divisions. Before organized effort for such divisions was carried on as a part of the Children's Year Campaign only eight states had such divisions.

The State of New Jersey has appropriated \$150,000 a year for its child hygiene division. This is the largest budget so far adopted by any state, but some bureaus with only meagre appropriations, through the co-operation of medical, public health and social welfare organizations, have been able to carry out far-reaching plans of health work.

The Federal Children's Bureau acts in an advisory capacity to these state organizations, and has rendered direct assistance in the development and administration of their work. Having contact with all the state divisions, it has been in a position to pass along all the new and effective methods adopted by any of

the bureaus.

To assist private organizations engaged in child welfare work, the Children's Bureau has begun a series of practical bulletins on office administration, records, publicity and other problems of private organizations. A large part of the field of child hygiene is covered by these private organizations and increased efficiency will mean greater service to the children of the country, as well as a saving of effort and money on the part of the public which supports this field of work.

Snow Falling At Red Bluff in Sacramento Valley

A white Christmas, or as near to one as California is ever likely to get, will occur this year. Tuesday night snow began falling at Red Bluff, in the floor of the Sacramento Valley, and all the foothills and the higher plateau regions are covered with a mantle of white.

The storm has brought a heavy fall of snow throughout the great intermountain plateau over Nevada, Idaho and Utah, Wilson said. The Sierras are white almost down to the valley line.

Mrs Curran Outwits Her Husband and Keeps Son

(Continued from page one)
followed him to North Dakota, then to Wyoming, then to Minnesota, then to Washington, where she lost track of him. She returned to her home in Chicago, and a short time ago received the information that the father and son were residing at El Cerrito. Immediately taking a train she arrived in that city Tuesday, and after making inquiries found the residence of her husband. He was absent at the time, but the long sought son was there, and she took him and brought him to Richmond.

Civil Service Offers Many Chances for Work

The United States Civil Service commission will shortly announce examinations for a number of government positions to be filled. Among the following will be found some very attractive positions with good salaries:

Telegraph operator—Vacancy in Naval Service at Naval Radio Station, San Francisco, \$440 a day.

Helper with experience, \$4 a day; vacancy in United States Mint at San Francisco.

Bookkeeper, 75 to \$100 a month; vacancy in Federal Board for Vocational Education, San Francisco.

Inspector buyer, \$1200 a year; Depot Quartermaster, Fort Mason, Cal. Motor transport storekeeper, \$1200 a year; Moort Transport General Department at Fort Mason, Cal.

Second class steam engineer, \$75 per month, with quarters, subsistence and laundry; Public Health, Marine Hospital, San Francisco.

Inspector of weights and measures, \$2000 to \$2500 a year.

Assistant inspector of weights and measures, \$800 to \$1000 a year; Bureau of Standards, Department of Commerce, Washington, D. C.

Assistant in boys' and girls' club work, \$2500 to \$3200 a year; State Relations Service, Department of Agriculture, Washington, D. C.

Attorney examiner of finance \$3200 to \$5000 a year; assistant atty. examiner of Finance, \$2400 to \$3480 a year; Bureau of Finance, Interstate Commerce Commission.

Bookkeeper, \$1000 to \$1200 a year; Department Service at Washington, D. C.

Cheese Maker, \$1800 to \$1980 a year; Bureau of Animal Industry, Department of Agriculture, duty in the field.

Transitman, \$120-\$150 a month and subsistence; vacancy in General Land office.

Junior engineer and dock officer, \$2000 a year, and increased to \$2240 after one month's satisfactory service; United States Coast and Geodetic Survey.

Assistant gas inspector, \$2000 to \$2500 a year; Osage Indian agency, Oklahoma.

Expert in commerce and finance, \$2000 to \$2500 a year; Bureau of Foreign and Domestic Commerce, Department of Commerce.

Senior dairy herdsman, \$1500 a year; Bureau of Animal Industry, Department of Agriculture, for duty at Jeanette, La.

Permission has been granted the Pacific Gas and Electric company by the Railroad Commission to sell \$10,000,000 of their 20 year 7 per cent bonds, or interim certificates in like amount. The money is to be used in power development in Shasta county.

GRANDMA NEVER LET HER HAIR GET GRAY

Kept her locks youthful, dark and glossy with common garden Sage and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge of soft brush with it and draw it through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.

Eighteen Receive Diplomas at Grant School Exercises

Eighteen scholars were graduated from the Grant school at exercises held last evening.

Following is the program given:

America the Beautiful.....
.....Seventh, Eighth Grade Pupils
Invocation.....Rev. H. K. Sanborne
Christmas Songs.....Primary Class
God's Garden, Bird Song.....
Seventh and Eighth Grade Pupils
Address to Graduates.....

.....Rev. H. K. Sanborne
Presentation of Diplomas.....
.....Eighth Grade Girls
Christmas Bells, Eighth Grade Chorus

Following are the Grant school graduates:

AIRPLANES ARE USED IN MICHIGAN TO APPREHEND MEN WHO ROBBED BANK

That the airplane will become a factor in policing system of the country sooner or later is shown in a report from Michigan yesterday where the airplane service was called upon to capture a gang of bank robbers.

The commanding officer of Selfridge Field, Mont. Clemens, Michigan, advises that he was requested by the police headquarters of Detroit, Mich., to send a plane over to pursue a gang of holdup men, who held up and robbed a bank messenger and escaped in an automobile.

A description of the car and the route taken were given, but as it was raining hard at the time, with a resultant soft field and extremely poor visibility, pursuit of the holdup men was not undertaken.

This incident tends to illustrate the fact that municipal authorities are becoming alive to the possibilities of an aerial police force.

An aerial policeman equipped with a high powered observation lens focused on a ground glass similar to the method of a photographic camera, could locate an object on the ground without difficulty, while with his machine gun he could swoop down and wreck a motor car or kill its occupants with ease.

Turkey Whist is Held by Ladies Of Am. Legion

The lower hall in the Pythian Castle was a busy place last evening with twenty-seven tables filled with whist players shuffling and dealing the cards for the first prize, a big fat gobbler weighing 20 pounds more or less, or trying at least to make their score cards figure within the five table limit which would mean a 10 pound turk.

The whist party was a success, and the Women's Auxiliary of the American Legion who managed the affair were very pleased indeed with the result of their efforts.

Mr. Neckel was the lucky player of the evening, winning the first prize. The seven remaining prizes were won by Mr. T. Russell, Mrs. E. Carson, Mr. Ben Sewell, Mrs. S. Conrad, Mr. A. Roder, Mr. J. T. Murray and Mrs. Hagans.

Pleasing Program Of the Maccabees Last Evening

The Maccabees and Lady Maccabees had a very nice program of entertainment in the Woodmen Hall last evening, and at the conclusion of which the children came in for their part of the program, including the big Christmas tree with presents for all. The program follows: Recitation, Laura Smith; Piano solo, Rose Hallenbaugh; Honeybug Dance, Enid Church; recitation, Agnes Raff, piano solo, Margaret Anderson; recitation, Thomas Downing; solo, Lawrence Theis; piano solo, Fern Scarlett; Jingle Bells dance, Zoe Hollenbaugh; piano solo, Maryle Reynolds; recitation (Bear in the Kitchen), Mr. Patterson.

Santa Claus then entered the hall and delighted the youngsters with distributing the presents all round from the pretty decorated Christmas tree. The successful social affair closed with the serving of refreshments.

The holiday vacation for the Richmond schools started yesterday. They will reopen again January 10th. An invitational dance will be given in the Elks clubrooms tonight by the Junior Elks. A big time is promised.

Make this Christmas long to be remembered

How! With a Piano! For the rest of time, as long as your family stays together, Christmas, 1920, will be spoken of as "the Christmas we got our Piano." And if you prefer a player piano, as giving more persons an opportunity to play, remember that we are splendidly stocked in these. Come in this very day, and learn upon what convenient terms a Piano or Player Piano can be obtained from a reliable house.

THROAT TROUBLE CURED

Oakland, Nov. 1,

1920. To whom it

May Concern:

I suffered from

throat trouble for

15 years, during

which time I could

neither eat nor

swallow without

pain. I became very

weak and was un-

able to work for

months. I had nu-

merous doctors and then tried a

Throat specialist, who told me that

my trouble was due to the blood.

He advised me to take blood medi-

cine. Thereupon my brother, who had

been cured of Stomach Trouble by

the FONG WAN HERBS, urged me

to try them. After drinking the

herbs for 15 weeks, I felt entirely

well. I have since gained 26 pounds.

It is 10 months since I took the

herbs, and I am now giving this

testimonial to let the public know

that any sufferer should try the

FONG WAN HERBS. I am a watch-

man for the California Food Spec-

ialties Co.

(Signed) A. J. Pea,

5429 San Pablo Ave.,

Oakland, Cal.

IND. ORDER FORESTERS HOLD CHRISTMAS PARTY

The L. O. F. was the scene of a pretty Christmas party last evening given by the Independent Order of Foresters for the members of the Order and their families. The play entitled "The Merry Christmas of the Old Woman who Lived in a Shoe" was well carried out and received with much favorable comment. The big Christmas tree over which old Santa Claus had charge, was the source of much happiness to the kiddies, as well as bringing back fond remembrances to the older ones of the days when they were young.

Mr. and Mrs. W. E. Whitehead, and daughter Idele, left yesterday morning for Blythe, Riverside county, where they will spend the holidays with their daughter, Mrs. J. L. Rihn.

A Gas Car May Take Place of Electric

Continued from Page 1
medium of consideration between the electric car lines and the motor bus. Bowen stated that he had nothing to sell Richmond further than an adequate street transportation service to the people.

REV. PAUL LITTLE MAY BE APPOINTED MINISTER TO SIAM

C. P. Dodds, political writer on the San Francisco Chronicle, in mentioning some of the probable selections of active men politically for appointment under the new administration, has named the Rev. Paul Little, pastor of the Wesley M. E. church of this city as one who may be selected as minister to Siam. Mr. Little has not aspired for political honors, and is at a loss to account for his candidacy for the appointment. He did not state whether he would or would not accept the appointment if such was proffered him as he had given the matter no consideration.

Rev. Little is a member of the Republican county central committee, and an ardent admirer of the president-elect.

Old Style Xmas Social Held By The Kollege Klub

Last evening at its rooms the Kollege Klub gave an old fashioned Christmas social. There were forty present and a merry time was had. J. A. Deadrich acted as Santa Claus, and just seemed like a real one.

In appreciation of their work in organizing the klub, Mr. and Mrs. Deadrich were presented with an electric waffle iron. The presentation speech was made by W. A. Capelle.

Here's a Chance For 5000 Francs By Writing Essay

Here's a chance to make some money on merit.

Win 5000 francs by writing the best essay on the subject "Tolerance," economic, political or religious.

According to word received by President David P. Barrows of the University of California from Paris, this amount is offered for the winning paper on the above topic written in the English or French language submitted not later than September 1, 1921.

The donor is Mr. Henry Peartree, one of the founders and a former president of the American Chamber of Commerce in France. A like prize of 5000 francs is offered for the second contest ending March 1, 1922.

Ten thousand words or less is the prescribed length.

As soon as you have completed the winning essay, place it in an envelope marked "Tolerance Prize Essay," and address it to the American Chamber of Commerce in France, 32, rue Taibout, Paris.

NATIVE SONS MEET

at their next meeting. The regular meeting of the Native Sons of the Golden West was in session in the Pythian Castle last evening. The date for the installation of officers will be decided upon at their next meeting.

IS NOW VICE-PRESIDENT STATE BUTCHERS' ASSN.

M. W. Cavanaugh, of Richmond, has been elected second vice-president of the California State Federation of Butchers. T. E. Clark, whom he succeeded, resigning to enter business for himself.

Around Our Town

A marriage license was issued in Oakland yesterday to Revner Brown, 30, and Susie E. Fraser, 30, of Richmond.

John Mcracken, 62, and Mary M. Carr, 59, of Point Richmond, were granted a marriage license in San Rafael Tuesday.

After the show drop in at the De Luxe, 1100 Macdonald avenue for a delicious milk shake, dish of National ice cream of high grade candies.

The famous pier at Venice was destroyed by fire yesterday in a strong wind which for a time threatened the city. The loss will amount to \$1,500,000.

Why be worried over desert, let us supply you with a delicious brick of National or Polar Ice Cream, eight flavors to pick from. See us first for Christmas candies, always the best. Clark Brothers, 1010 Macdonald. 11-23-1mo

ITEMIZED PHILOSOPHY

Keep No. 6 feet out of No. 4 shoes.

The business worse hit by H. C. L. is that of Dr. Stork.

The wind, the tide and those paying bills all moan.

Missionary work with a club is like a boomerang.

Mexico lags behind our big cities in the bandit game.

The daily grind is harder than the braving of a danger.

The society church wedding is worse than remaining single.

Congress is exceedingly busy investigating the obvious.

Many yet alive remember when a nickel bought something.

Congressional Motto: "Pass the buck, all yet who enter here."

Time plays golf with a scythe and skull, with graves for holes.

There's no use hurrying unless you are headed in the right way.

Air Service Unit To Be Established State University

Approval by the Secretary of War has been given to the establishment of an air service unit of the Reserve Officers' Training Corps, Senior Division, at the University of California, the Board of Regents announced at their December meeting.

Members of the Department of Mechanical and Electrical Engineering will conduct the necessary courses.

DEATH OF MRS. ANNA JOHNSON LAST NIGHT

Late last evening Mrs. Anna Christina Johnson, widow of the late Andrew Johnson, passed away at the home of her son, J. A. Johnson, at 2401 Andrade Boulevard. She was a native of Sweden and aged 77 years. The remains are at the Curry parlors until arrangements for the funeral are made.

Deceased was the mother of Andrew P. of Aberdeen, Wash., John of Nanavine, Wash., Erle of Oakland, and J. A. of Richmond.

SOCIAL DANCE ENJOYED BY DEGREE OF POCAHONTAS

The Degree of Pocahontas held their regular meeting in the Pythian Hall last evening. During the meeting it was decided to hold a joint installation on with the I. O. O. F. on Tuesday evening, January 4th. Following the meeting a social dance was enjoyed by all.

Frank A. Silva, 35, and Mary C. Wood, 37, of Pinole, were married in Oakland yesterday.

mas music by the Senior Choir of the First M. E. Church was held last evening.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back Hurts or Bladder bothers—Drink lots of water

We are a nation of meat eaters and our blood is filled with uric acid. says a well known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid

MATERIAL DELAYS CAR EXTENSION

The proposed extension of the Sixth street car line into the industrial district north of the Santa Fe tracks is reasonably assured of prompt action after the first of the year, according to a formal communication received from W. R. Abberger, general manager of the San Francisco-Oakland Terminal Railway by W. J. Wallace of the Richmond Chamber of Commerce yesterday. The letter states that only labor and material conditions can interrupt a favorable consideration of the matter.

but become weak from the overwork, they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, and stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will be fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

The Home-Staying Dollar

Is the dollar that counts in the long run. It's the dollar that eventually "comes back." If Jones buys a suit of clothes from Smith and Smith buys a pair of shoes from Jones, the dollars involved in the transaction stay in Richmond and both Jones and Smith make a profit.

If, however, Jones buys his suit in some other town and Smith goes elsewhere to buy his shoes, both Jones and Smith lose a profit and the money each spends may never come back to Richmond.

Too many Richmond people buy suits and shoes—and many other necessities—in other cities. Richmond is a prosperous community to be sure, but not nearly so prosperous as it would be if we all remembered that the home-staying dollar.
